Welcome to autumn everyone! It's been a bit bitter out there, so why don't you dive on into your newsletter and see what's happening

Thanks to Jennifer, and Janna who have both joined the Committee, and have been very industrious.

We need more people on the Committee for 2010/2011 so if you are interested in **Convening**, being the **Secretary** or helping out with the Committee in general, make sure that you get nominated. If you know that perfect person, make sure you nominate them! You can nominate in writing – by email is fine – we don't need a particular form, or you can nominate a person at the AGM.

I would like to thank everyone on the Committee as you've all put in a lot of hard work this year. You guys have great ideas, and enthusiasm and really keep things ticking along. Thanks so much!

I've included some upcoming legislation in this newsletter in case you wish to make Select Committee submissions. If there's something in particular you want us to say or you are interested in making submissions on behalf of WWLA, do let us know.

Don't forget to pay your subs...attached with this newsletter is the membership renewal form...please pass a copy onto anyone you think may be interested in joining!

Wrap up warm, and see you at the AGM
Cathy Blakely, Convenor WWLA

Discover Cambodia with Books for Cambodia

From 27 December 2009 until 12 January 2010 I had the pleasure and privilege of being part of a group of seven ladies who took part in the inaugural Discover Cambodia Tour run by the Books for Cambodia charitable trust in association with Pacific Discovery. We were extremely fortunate to be led by Books for Cambodia founder and trustee, Jennie Wilson.

After time in Phnom Penh and Kampot, we headed for Takeo province, where we stayed with the family of Jennie's close friend Siphen. As we experienced warm and generous hospitality from our hosts, we spent several days covering and stamping hundreds of books for distribution to schools in the local area. Our visits to several of those schools provided testament to the thanks with which the books are received and the impact they have on the literacy of the children and teenagers in Takeo Province. The sparse shelves in the school libraries we visited demonstrated the obvious need for the books provided by the trust.

For anyone remotely interested in doing this trip in the future I would say DO IT! The trip will both inspire and enrich you.

Assistant Crown Counsel at Crown Law and WWLA member.
